Benefits for LEAs

- Network with fellow Law Enforcement Agencies across Europe on a cutting edge digital forensics project
- Receive regular updates on the development of standards for mobile forensics in Europe
- Invitation to attend FORMOBILE meetings for work package consultations and debates
- Have the opportunity to shape policies in digital forensics for the future of Europe
- Receive details of new mobile forensic training curriculums as it becomes available
- Shape the future of the industry, tools, forensic practices, standards and education
- Be featured on the FORMOBILE website as a future-thinking LEA
- Gain insight on participation in EU-funded research projects - learn about the possibility to be involved as a consortium partner in the future
- Participate in a training program developed within the FORMOBILE project

May 2019

April 2022
