Tools

Advanced, innovative tools and software for the acquisition, recovery and analysis of data.

Standard

Phone to court. Good practices and standardised process for the mobile phone forensic chain.

Training

For LEAs to effectively use the new tools and successfully follow the standardized processes.

May 2019

April 2022

This project has received funding from the European Union's Horizon 2020 - Research and Innovation Framework Programme, H2020-SU-SEC-2018, under grant agreement no.832800
