Currently LEAs can be left confused with all the standards, tools and procedures to follow

Gather LEAs' requirements, complete gap analysis between 'as is' and 'to be'

Screen existing standards, understand current procedures

Combine everything into the CWA describing good practices; including standards, tools and trainings

May 2019

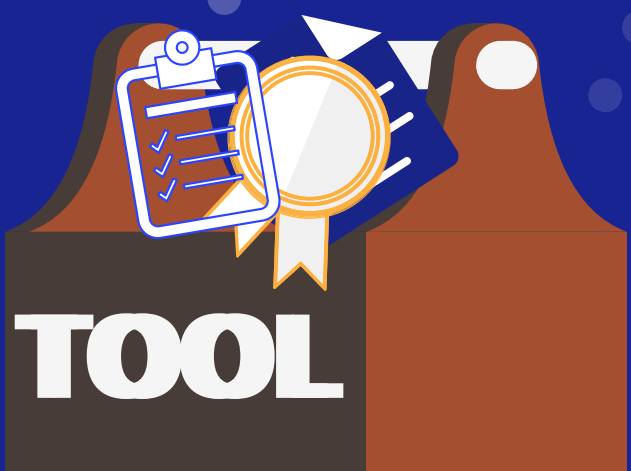

April 2022

The new CWA will provide a 'toolbox' approach, bringing together good practices identified throughout the project

**New
CWA
Standard**

ISO 17025

A good practice guide to the end-to-end forensic investigation chain for mobile devices
